Subject: Compliance to REACH Regulations for The Lee Company Precision Microhydraulic Products

Reference: Initial EU directive 1907/2006

The Lee Company Precision Microhydraulic Products are considered articles and are not subject to REACH registration or pre-registration. The Lee Company has conducted a REACH compliance investigation of our suppliers and materials. Based on those investigations, none of the Substances of Very High Concern (SVHC) are found in the articles produced by The Lee Company in excess of 0.1% by weight nor does the amount equal or exceed 1 tonne per year. SVHCs that may be present are not intended to be released from our products under normal operating conditions.

The previous statement is based on the ECHA Candidate List of 169 substances, dated June 20, 2016.

Sincerely,

Bruce Hecklinger
Corp. Q.A. Manager
